

Addendum to the notes of the AGM held on January 18th 2023.

For the purpose of clarification and avoidance of doubt: -

The notes of the meeting made reference to a 14 day deadline for the submission of questions (section 6, Members Questions). This 14 day period is only for proposals which may require a vote at the AGM. It does not refer to general questions relative to the seniors' golfing matters, which are always welcomed at the meeting.
